To Whom It May Concern,

Meals on Wheels Central Texas (MOWCTX) would like to thank the St. Peter Claver Foundation for its generous grant of \$400 toward our Second Meal program (now known as "the Breakfast Meal" program).

Thanks to the support of generous gifts like yours, MOWCTX is able to provide clients who are malnourished or at risk for malnourishment with a weekly supply of breakfast meals. These clients already receive our lunchtime meals from the Meals on Wheels program, but require additional food to maintain their nutritional health. MOWCTX delivers a seven-day supply of breakfast meals once a week to each client in the Breakfast Meals program. These meals are delivered at the same time as the daily lunchtime meals by the smiling faces of our friendly volunteers. The breakfasts include items such as a frozen breakfast entrée (e.g. a cheese omelet, breakfast potatoes, or turkey sausage), fruit component, cereal, breakfast bread, and 1% low-fat milk.

We are so grateful for your generosity and thank you once again for your commitment to serving our clients and our community.

Sincerely,

Dan Pruett

Dear KPC Ladies Auxiliary #284:

On behalf of the Sickle Cell Association of Texas Marc Thomas Foundation, we extend our deepest thanks for your generous donation of \$150.00. We are immensely grateful that you support and have faith in our mission. Your generous donation assists with sending Austin area special needs children with sickle cell disease to Camp Cell-A-Bration, provides financial assistance to in-need families and directly assists with providing services to a vulnerable population.

The Sickle Cell Association of Texas Marc Thomas Foundation has provided services to the sickle cell community for almost two decades. Our services include: case management, research, Hemoglobinopathy education, sickle cell testing, outreach, support, financial assistance, a special needs camp called Camp Cell-A-Bration and other services.

Your support means so very much to our mission of improving the quality of life of children, adults and families affected by this life-threatening disease. Thank you.

Sincerely,

Linda Wade, President

Dear members of St. Peter Claver Foundation,

On behalf of Help For Haiti, Inc., I would like to thank you for your generous contribution of \$1250.00. Your financial support helps us in our mission to assist the children of the Canaan Christian Community Orphanage and School. Your donation was used to purchase and install a Water Purification System to provide safe drinking water to the orphanage and the community health clinic run by the orphanage's staff.

We could not know at the time, hurricane Matthew would devastate Haiti, within a few months after our installation. Hurricane Matthew destroyed the southern part of Haiti. There was a high loss of life; homes were destroyed along with livestock and crops. However through the Grace and Mercy of God our Father, the orphanage suffered only minor damage and the water system was not damaged. Because of you the orphanage is providing 4,000 gallons a day of safe drinking water to the victims of the hurricane.

Please visit our website www.helpforhaitihouston.com for video testimony of the importance of the water purification system to Canaan orphanage.

Thank you again for your support,

Sincerely,

Johnny Jones, President
