July 2017

Dear Supporter:

Greetings once again on behalf of the Board of Directors of the St. Peter Claver Foundation! It has truly been an honor and blessing to be of service to the St. Peter Claver Foundation and complete my second year as President of the Board of Directors.

Through the many programs and initiatives funded and administered through the Foundation, we have truly been able to change lives for the better—from helping provide clean water to residents in Haiti to aiding in the recovery of those affected by horrific natural disasters.

As the charitable arm of the Knights of Peter Claver, Inc.—the oldest and largest historically Black Catholic lay organization in the world, we have been able to continue aligning our resources in order to effectively and efficiently respond to the increasing humanitarian and charitable needs of communities across the United States and beyond. This could not have been done without the generosity of our growing list of donors.

The Foundation operates solely on funds received as donations and in order to continue increasing our capacity and ability to serve, we must strive to increase the support we receive from individuals, organizations, corporations, and public trusts. I sincerely hope that you will consider supporting our organization's great charitable works by contributing to the St. Peter Claver Foundation through one-time, ongoing, directed giving, wills, or estate planning.

Please help us continue to spread the news of our great works with the individuals, businesses, corporations, and other entities in your communities and to request their support through donations and sponsorships to the Foundation.

Thank you again for your interest in our Foundation! We look forward to your support as we continue to illustrate "Faith and Service in Action!"

To Whom It May Concern,

Meals on Wheels Central Texas (MOWCTX) would like to thank the St. Peter Claver Foundation for its generous grant of \$400 toward our Second Meal program (now known as "the Breakfast Meal" program).

Thanks to the support of generous gifts like yours, MOWCTX is able to provide clients who are malnourished or at risk for malnourishment with a weekly supply of breakfast meals. These clients already receive our lunchtime meals from the Meals on Wheels program, but require additional food to maintain their nutritional health. MOWCTX delivers a seven-day supply of breakfast meals once a week to each client in the Breakfast Meals program. These meals are delivered at the same time as the daily lunchtime meals by the smiling faces of our friendly volunteers. The breakfasts include items such as a frozen breakfast entrée (e.g. a cheese omelet, breakfast potatoes, or turkey sausage), fruit component, cereal, breakfast bread, and 1% low-fat milk.

We are so grateful for your generosity and thank you once again for your commitment to serving our clients and our community.

Sincerely,

Dan Pruett

Dear members of St. Peter Claver Foundation,

On behalf of Help For Haiti, Inc., I would like to thank you for your generous contribution of \$1250.00. Your financial support helps us in our mission to assist the children of the Canaan Christian Community Orphanage and School. Your donation was used to purchase and install a Water Purification System to provide safe drinking water to the orphanage and the community health clinic run by the orphanage's staff.

We could not know at the time, hurricane Matthew would devastate Haiti, within a few months after our installation. Hurricane Matthew destroyed the southern part of Haiti. There was a high loss of life; homes were destroyed along with livestock and crops. However through the Grace and Mercy of God our Father, the orphanage suffered only minor damage and the water system was not damaged. Because of you the orphanage is providing 4,000 gallons a day of safe drinking water to the victims of the hurricane.

Please visit our website [www.helpforhaitihouston.com](http://www.helpforhaitihouston.com) for video testimony of the importance of the water purification system to Canaan orphanage.

Thank you again for your support,

Sincerely,

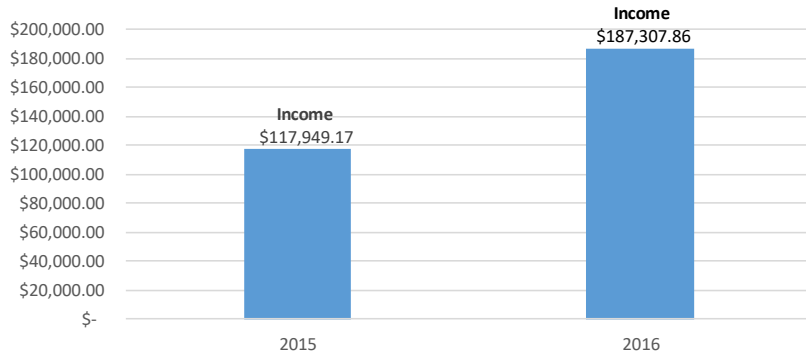

Johnny Jones, President
