The Saint Peter Claver FOUNDATION

Charitable Arm of the Knights of Peter Claver, Inc.

I am humbled to submit my final message on behalf of the Board of Directors of the St. Peter Claver Foundation. This fourth year as President has presented continuing challenges as we promote and enhance the charitable mission of the Knights of Peter Claver. We have seen our net income increase from approximately \$3,000.00 for 2017 to approximately \$40,000.00 for the year 2018.

As a non-profit organization, we operate solely on your donations to fulfill our constant goal of serving our communities. Because of this, we hope to steadily increase the financial support the Foundation receives from individuals, organizations, corporations, and public trusts. Our work is never done and I hope you will continue supporting our charitable endeavors by donating through one-time, ongoing, directed giving, wills and / or estate planning.

Our Board of Directors, Executive Director, and staff continue to be fervent in their commitment to increasing our Foundation's capacity to serve and meet the needs of our communities throughout the United States. Through a variety of programs and initiatives, we touch many lives and pursue both the principles of our Claver mission and to live out the charge our Patron Saint, Peter Claver, challenged us to fulfill centuries ago.

Our ability to continue having a growing and positive impact is enabled by the generous support of our donors, community partners, and the dedication and hard work of the members of the Knights of Peter Claver and Ladies Auxiliary who provide financial, physical, and creative support for charitable programs and efforts throughout the county.

The time has come for new leadership for the St. Peter Claver Foundation and election of officers will be held on August 2, 2019. I would like to express sincere thanks to the following members of the St. Peter Claver Foundation Board of Directors who have completed their years of service as of August 2, 2019: F.DeKarlos Blackmon, 16th Supreme Knight; Frances Owens; Loretta T. Richardson, Past Central States District Deputy; James Kelley Terry, Past National Secretary; and Janice Williams Taylor.

During my tenure on the Board, I had the true privilege to serve with the late Consuella Marie Broussard, Esteemed 8th Supreme Lady and the Foundation's Charter President. She worked tirelessly for our Foundation - encouraging us all by her leadership, mentorship, and overall presence at all activities and meetings. We will never forget the stories she told, the lessons she taught, the things she stood for, and the honor we all had to experience this journey with her.

Thank you to E. Desmond Taylor, Director of Public Relations and Outreach, and Gabrielle Deculus, Marketing and Communication, for generously sharing their time, talent, and service throughout the year along with our Executive Director, Grant A. Jones, who made my duties as President seamless with his input, guidance, and presence.

Best wishes to the newly elected officers of the St. Peter Claver Foundation and to the Supreme Knight and Supreme Lady as you gather in Atlanta for the 2019 National Convention.

Dear Mr. Jones:

On behalf of the Board of Trustees, staff, and clients of Catholic Charities of Los Angeles, Inc., thank you for the generous donation of \$6,000, dated December 12, 2018, from The Saint Peter Claver Foundation, designated for Good Shepherd Center for Homeless Women and Children.

We are grateful for the generosity of The Saint Peter Claver Foundation. Your gift will support programs that provide food, shelter, clothing and a wide-array of services promoting self-reliance and long-term stability for individuals and families assisted by Good Shepherd Center.

This year, Catholic Charities of Los Angeles, Inc. is celebrating its Centennial of Providing Help and Creating Hope for the poor and vulnerable. As we embark on a new century, we look forward to continuing our partnership with you and improving the lives of those in need.

Sincerely,

Rev. Monsignor Gregory A. Cox
Executive Director

Computer Coding Program

This leadership coding workshop pilot was a free workshop to offer our youth in low impoverished areas the opportunity to understand computer coding by teaching them to CODE computer programs, gain passion for creating their own ideas, how to solve problems and create a service, and to feel comfortable choosing technology as a career. The Introduction to Programming curriculum incorporates the use of SCRATCH programming language, classroom instruction and laptops for use during the session.

At the end of the pilot, each student created a virtual card for their parents; used the techniques they learned to create a game called 'Monkey Mania' and at the end of the session each student competed in playing the game they just created.

St. Francis of Assisi Branch #49

St. Francis of Assisi Branch #49 in Breaux Bridge, LA recently completed its Come Home for Christmas Retreat which was funded by the Saint Peter Claver Foundation – MICROGRANT. The focus of the grant was to bring back teens to church during the Christmas Season. It was highlighted by a detailed discussion on the meaning of Advent and Christmas Liturgical Seasons by Fr. Joseph Campion, Pastor of St. Francis of Assisi Catholic Church. A session on the historical figures of the Bible was also a part of this retreat. Connections were made between how God used ordinary people to do great things and how God is calling each and everyone of us to do great things. All participants received the healing of reconciliation and attended Mass. The fifty-three attendees were invited to the Christmas Vigil Mass to Come Home for Christmas and witness the Nativity performed by the invitees. The Junior Knights and Daughters of Unit #49 also grew in their spirituality by sharing their faith and belief in God. Thank you Saint Peter Claver Foundation - MICROGRANT May God continue to bless the charitable arm of the Knights of Peter Claver and Ladies Auxiliary, Inc.

Oklahoma State University Institute of Technology

Oklahoma State University Institute of Technology's goal for the Mission Possible Program was to connect and educate students on the option of going to college. Through our partnership with the St. Peter Claver Foundation, we had a successful event and reached our goal. Support from your organization provided 50 adults and displaced workers/students a way to learn about career and educational opportunities at OSUIT. Over ten students were accepted to our university and will be awarded scholarships. Once again thank you for your support with this event. We were able to impact the lives of students who believed they had limited options for their post-secondary future. This event truly helped our adults and displaced workers/students realize that college is an option, and opened them to the many possibilities education can afford them, and how they can afford a college education. We look forward to working with the St. Peter Claver Foundation in the future to impact more students' lives.

St. Paul the Apostle Junior Daughters Court 351

On December 9, 2017, the Junior Daughters delivered care packages for 130 residents of Sterling Place Nursing Home in Baton Rouge, LA. In addition to the care packages, we delivered undershirts and throw blankets to be used as gifts for the residents at their Christmas Party. We were awarded \$500.00 from the foundation and the court held a fund-raiser to cover the additional cost. Items purchased total \$823.05. Receipts are on file if needed. Thanks to the generosity of the St. Peter Claver Foundation, we were able to touch the hearts of many of our seniors and put smiles on their faces while providing many of the personal care items they were in need of.
